Details

Buyers call delivery

Producer must complete and sign a Grower Agreement and IP Checklist

It is a BUSHEL contract

NPE contracts will be put in for their bushels. Any additional overrun is by agreement only. We cannot guarantee we can buy more than the bushels contracted.

There is NO Act of God Clause.

This is not variety specific

Newly purchased seed. Bin run seed not preferred.

Seed receipts must be produced if requested

Specifications:

Grain	US #1 Yellow Soybeans
Moisture	13.0% or less
Splits	20.0% or less
Total damaged	2.0% or less
Heat damaged	.20% or less
Foreign material	1.0% or less
Odor	Cool, sweet

Max .2% yellow corn allowed in a sample. Amounts over .2% could be subject to rejection.

99.0% nongmo purity, tested upon arrival at Mercer Landmark Latty facility

Other Details:

Delivery is set in a 30 day time of shipment. This is BUYERS CALL. We will do our best to get the grain in within the contracted window but set expectation that it may fall into the first 2 weeks of the next month. Once we fill a shipment it is FULL. As we do get closer to delivery, we may be able to make some adjustments.

Price is location delivered basis + the premium + futures = Cash Price. Any Mercer Landmark contract alternatives can be used with the contract. NPE (DP) with fees will be available on a limited quantity of bushels. Open storage is not an option on nongmo grains.

When signing up, keep in mind that the max bushels that could be delivered in a 3-5 day time frame in a given month. This is a guideline to keep a customers from over committing themselves to delivery and to allow multiple customers to spread out logistics risk.

Buyers Call means that we will contact the producer to arrange delivery timing for the beans.

Grain is tested for nongmo purity upon arrival to destination.

NonGMO bushels are not eligible for patronage through Mercer Landmark.
