Delivery is set in a 30 day time of shipment. This is BUYERS CALL. We will do our best to get the grain in within the contracted window but set expectation that it may fall into the first 2 weeks of the next month. Once we fill a shipment it is FULL. As we do get closer to delivery, we may be able to make some adjustments.

Price is location delivered basis + the premium + futures = Cash Price. Any Mercer Landmark contract alternatives can be used with the contract. Delayed Price with fees will be available. Open storage is not an option on Non GMO grains. **Delayed Price must be priced by 8/31/22.**

When signing up, keep in mind that the max bushels that could be delivered in a 3-5 day time frame in a given month. This is a guideline to keep a customer from over committing themselves to delivery and to allow multiple customers to spread out logistics risk.

Buyers Call means that we will contact the producer to arrange delivery timing for the beans.

Grain is tested for Non GMO purity upon arrival to destination.
