# FUELING YOUR HOME | FARM | BUSINESS

## POWER FUEL PROGRAMS

### Gasoline - 87, 89, 93

(89 & 93 - Call for Geographical Availability)

### Express Cetane Additive

- Prevents Sticky Injector Deposits.
- Keeps injectors clean for more efficient engine operation and reducing power and emissions deterioration.
- Improves ignition quality- raising cetane helps with easier engine starts and faster dissipation of white smoke.
- Increases engine lubricity- helping with life of fuel pump and injector parts.
- Increases fuel stability and corrosion control- reducing filter plugging, sludge formation, and fuel system corrosion.
- Extends filter and engine life, prevents buildup of sludge in fuel tank, and thermal stability.

### Winter Express Additive

- Has all the benefits of the Cetane, plus a winter additive to help with the gel up of fuel.

### Contracting Fuel

**Quantity Discount Program,  
Owning Your Own Tank Discount,  
and Tank Monitoring Program**
